Friday's Classes:

3 Bs – BACKGROUNDS, BORDERS AND BLOCKS!! 9AM – 12PM \$

Blocks, backgrounds, sashings and borders – these are the basic components of every pieced quilt top, and there are tricks to quilting them differently while creating a cohesive overall look. Learn how to select and adapt designs to complement each area, and how to accomplish the quilting efficiently and easily. Tried and true fillers and “go to” designs will be featured. TOPICS INCLUDE: • Continuous line designs for sashing and borders • Different ways to quilt the same blocks • Turning a quilt • Using rulers and templates • Extending designs into borders

3-C Fancy Footwork!! 1 PM – 4 PM \$

The ruler hopping foot will always be the workhorse of machine quilting, but Handi Quilter has created new quick-change machine feet to take your quilting to the next level. Add surface embellishments easily with the Couching Foot, and use the Echo Feet to create impressive echo quilting in a variety of widths and designs. The Glide Foot enables quilting around surface embellishments and dimensional appliqué with ease. Come discover the fun you'll have with the new Handi Feet! Topics include: • Couching with a variety of threads and yarns • Echo quilting in a variety of widths • Quilting around surface embellishments • Using the Echo Feet with rulers and templates • Creating grids and crosshatching

Saturday's Classes:

START SIMPLE, EXPAND TO AMAZING! 9AM – 12PM \$

Begin with a basic design from a stencil, a ruler or template, an applique, a design in a piece of fabric, or even a shape you draw yourself – then transform and expand that design from basic to spectacular. Add extended and secondary designs, repeats, fills and special effects. Learn marking techniques and tools for applying designs to quilt tops.

TOPICS INCLUDE: • Using stencils and templates to begin a design • Expanding block designs into sashing and borders • Repeating designs for special effects • Fillers and embellishments to enhance a design • Making your own stencils

YOU CAN DO THAT ON A HANDI QUILTER??!! 1 PM – 4 PM \$

A longarm isn't just for quilting tops! Come see how techniques usually done with a sewing machine can be accomplished with a longarm machine. You'll leave with brilliant shortcuts and ideas for quick and easy projects, and a whole new perspective on what's possible with a longarm! TOPICS INCLUDE: • “Slap-li-que” • Couching and embellishment • Creating chenille • Strip piecing quilting as you go • Applying binding with the longarm
